

I'M A RAINBOW LEPRECHAUN

By Dan Crow
2012

I'm a Rainbow student
I'm a Rainbow kid
My Rainbow education
Is underneath my lid

I do Rainbow reading
I do Rainbow math
I do Rainbow writing
I'm on the Rainbow path

Refrain

Rise up early greet the dawn, I'm a Rainbow Leprechaun
Rise up early with a yawn, I'm a Rainbow Leprechaun
Out the door to school I'm gone, I'm a Rainbow Leprechaun
I'm a Rainbow Leprechaun

I like my Rainbow teachers
There's so much that they give
The colors of the Rainbow
Remember ROY G BIV

That's red and orange and yellow
And then there's green and blue
Indigo and violet
I love every hue

Refrain and out
