2 Hey! There's gum on the hammer and gum on the broom,  
And gum in the milkman's shoe.  
Gum on the chipmunk and gum on the monkey,  
And none of this gum can you chew.

### CHORUS

3 Ho! There's probably more than a ton of gum  
Sticking around in my room.  
Maybe it might be there may be some gum  
That man might have left on the moon.
